[redacted] the old and the new Reiter Kaserne in Parchim were again occupied to capacity. Almost all windows were lighted after nightfall. Troops wearing red-bordered black epauletts, including some with artillery insignia, and some with tank insignia, were seen entering and leaving the installation. Tanks of an undetermined type were seen in the former stables. Motor vehicles seen en route to and from the installation [redacted]

Comment. After the vacating of the Wittstock troop training grounds in mid-October, the old and the new Reiter Kaserne can be assumed occupied as prior to the summer training period by the 60th Mecz Regt and the 33d Tank Regt (US) of the

18th Mecz Div. [redacted] Further information is needed to confirm this assumption.
